

Amendment Form

M. Anderson Griffith

Position: Circuit Court Judge, Second Judicial Circuit

Amendment to Number 47 on the Personal Data Questionnaire.

An issue was raised about my name being listed as a plaintiff in Aiken County Case of J.R. Williams vs. David Hayward, Case Number 117,018 (Judgment). I reviewed that information and I am providing documents to verify that I was not a party to the lawsuit. I represented the plaintiff who was awarded a judgment of \$7,580.00 in a magistrate court matter. The judgment was then filed with the Aiken County Clerk of Court. The pleading was listed by that clerk as "J.R. Williams & Bettie Anne Williams c/o M. Anderson Griffith, Attorney..". Apparently, the clerk made an error and listed me as a party to the lawsuit. I only appeared in the action as the attorney for the plaintiff. I have attached the following:

- a. Judgment form from the magistrate's office;
- b. Nulla Bona form that correctly names the parties to the lawsuit.
- c. Execution form that correctly names the parties to the lawsuit.

Please contact me if I need to provide any further clarification.

A handwritten signature in blue ink, appearing to read "M. Anderson Griffith".
